

Join us for a Spooktacular Live Trivia event on **October 27, 2020 at 7pm** with your team. Junior Achievement of Southern Nevada is hosting a night filled with fun and festivities where you can show off your cleverness for a great cause and compete for prizes as well as a seat in the

TOURNAMENT OF CHAMPIONS!

Challenge your family, friends, and co-workers to a virtual fundraising event you can access from your phone, tablet, or computer!

This event is a wonderful team building activity for corporations and organizations and a great way to support the programs that Junior Achievement offers to students in our community.

Each trivia captain will put together a five-person team and raise at least \$100 per person from friends, family, neighbors, colleagues and acquaintances. JASN provides all of the fundraising tools to help you and your teammates reach and exceed your goals.

There is a \$10 registration fee for all players, which provides them access to compete and show off their knowledge and the chance to win fabulous prizes.

At Junior Achievement of Southern Nevada, our mission is to inspire and prepare young people to succeed in a global economy. Our staff and volunteers help build better futures by teaching young people how to be financially successful and how to aspire to greater things!

Go to <https://secure.ggiv.com/event/jasntrivianight/> to register!
